

Zapamiętaj

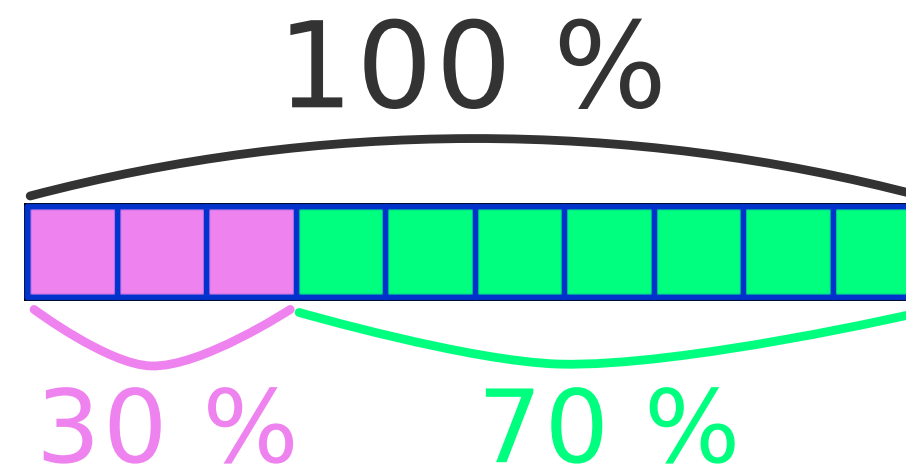

Procent pewnej wielkości możesz zapisać w postaci ułamka o mianowniku 100.

$$1\% = \frac{1}{100} = 0,01$$

$$30\% = \frac{30}{100} = \frac{3}{10} = 0,3$$

$$70\% = \frac{70}{100} = \frac{7}{10} = 0,7$$
